

Scrip Procedures

During this time of uncertainty we will handle scrip purchases from John Eggers' home. Here are the procedures established to maintain physical distancing and still fulfill your scrip needs.

- Please call John at 338-0198 or email at rastoigers@gmail.com with your request to purchase scrip. He will respond as to whether we have the cards in stock or if they need to be ordered.
- If we have the cards in stock you will arrange a time to pick up the cards that is convenient.
- John's address is 1302 S. Summer Range Rd., De Pere. Summer Range is entered from Webster Avenue just south of the entrance to St. Norbert Abbey. The house number is prominent on the mailbox.
- At the arranged pick up time the scrip will be in an envelope on a small table near the front door. Please leave your check or cash, ring the doorbell and we'll wave through the glass door.
- If we need to order the cards that happens on Monday and normally they will be available Wednesday afternoon. We will call when the order is in, and set a time for pick up.
